

Parking & Transit strives to provide exceptional customer service and accurate information, contributing to a safe campus environment for the University community and its visitors.

The regulation of parking is a service to the university, and is intended to protect student, staff, and faculty pedestrian mobility in fulfilling the class and work schedule itinerary; use available parking space in the best interests of the entire university; and maximize parking area consistent with land needs for the academic function, topography, financial feasibility, and maintenance of the natural beauty of the campus.

Parking & Transit is supported solely through the sale of permits, fines, and other user fees. It receives no income from state or tuition funds.

Any suggestions for improvement to Parking & Transit are welcomed and should be directed to kupark@ku.edu.

I. GENERAL REGULATIONS

1.0 The University of Kansas, through the Board of Regents and its administrative officers, is authorized by state law to establish parking rules and regulations and to provide penalties for infractions of these regulations. Regulations are established by the Parking Commission.

Any motorized vehicle operated on the property of the University of Kansas is subject to all regulations governing parking at the institution.

All campus parking shall be restricted to vehicles with permits which authorize parking in that area or where the meter fee has been paid.

1.1 Traffic Control Booths are located at the entrances to central campus in order to control and restrict traffic in the central campus area. During the hours when access to campus is restricted, only vehicles authorized by assigned permit or by a courtesy pass may enter the campus. **The stop sign shall always be observed.**

Generally, traffic is controlled from 7:45 a.m. to 5 p.m. Monday through Friday. Campus may be open for drive through after the last day of finals, until the week before classes begin each semester. However, parking is restricted year-round.

During the summer session, access will be controlled from 8 a.m. to 2 p.m. Monday through Friday.

1.2 Parking & Transit is not responsible for incorrect information given out by anyone other than Parking & Transit employees.

1.3 Failure of Parking & Transit to strictly enforce any parking regulation shall not be construed as a waiver for the future enforcement of the regulation.

1.4 Tickets are placed on vehicles at time of issuance. Parking & Transit is not responsible for tickets removed from vehicles thereafter.

2. VISITOR PARKING

2.0 Visitors are considered to be persons (other than current and recent students, staff and faculty) who occasionally visit the campus for pleasure, conferences, or business. Spaces that are designated by "Visitor Parking" or "Guest Only" signs are not to be used by faculty, staff or students. Any person operating a vehicle bearing a valid university parking permit is not eligible for visitor status.

2.1 Access to the central campus is very limited. **Visitors may park** in hourly parking in the Allen Fieldhouse Garage on Irving Hill Road, or in the Mississippi

Street Garage north of the Kansas Union (see map) for \$1.75 first hour, and \$1.50 per each additional hour. Visitor permits are available for a few parking lots where a parking garage is not within a reasonable distance of visitor's destination, and are valid in regular permit stalls or long-term parking meters within the color zone indicated. Several metered and pay-by-phone parking areas are specifically available for the convenience of visitors, including lots 19, 90, 94, 301 and 302.

2.2 Visitors are required to observe all University of Kansas parking regulations and to park in designated visitor parking areas, or metered parking areas. If parked at a meter, all visitors must pay the prescribed fee. Parking tickets are assessed against a vehicle, not the vehicle operator.

2.3 Visitor permits may be purchased by individuals or departments. (See parking.ku.edu/visitor-parking for current rates.) **Faculty, staff and students are not eligible to use daily visitor permits.** In order to be credited for unused visitor permits, departments must return permits on or before the day permits are valid. Unused permits for hooded meters will not be credited. Send email to kupark@ku.edu to order permits.

3. ACCESSIBLE PARKING

3.0 Disabled Placard/Tag Registration. Registration of official state-issued disabled placard or license tag with Parking & Transit is required. Owner provides copy of accompanying documentation proving ownership and receives a KU parking registration pass which must be displayed in conjunction with disabled placard/tag when vehicle is parked on campus. Owner agrees to follow rules for on campus usage provided by the department. Failure to register placard will result in a ticket being issued.

3.1 Motor vehicles which bear an official state-issued disabled placard or license tag which are being operated by or used for the transportation of the registered owner **must also purchase a University of Kansas parking permit** to park on campus 8 a.m. – 5 p.m. Monday through Friday.

3.2 Proof of ownership of state-issued disabled placard (photo ID with State of Kansas wallet ID card or registration receipt) must be presented upon request at traffic control booths in order to gain entrance to the central core of campus.

3.3 Visitors with state-issued disabled placard must present identification (see section 3.2) at traffic control booth to verify ownership to park free at meters with state-issued disabled placard, or pay hourly toll in parking garages, or purchase a visitor permit in the Parking & Transit office, or the traffic control booths located at the Chi Omega Fountain or next to Danforth Chapel.

4. STUDENT, FACULTY, AND STAFF PARKING

4.0 The University of Kansas maintains various types of parking facilities to meet the needs of faculty, staff, and students. These include regular permit lots, parking garages and metered parking spaces. Some lots are controlled 24 hours per day (see section 7.1). **Owning a parking permit does not imply or guarantee a parking space at any particular time, and parking privileges may be modified or preempted by the authority of the Chancellor of the university.** Since parking is limited, faculty, staff, and students should consider their needs carefully when applying for parking privileges.

The university assumes no responsibility for security of vehicles or their contents while moving or parked in any area subject to university jurisdiction.

4.1 Student. A person is considered a student if (s)he is enrolled for at least one (1) hour of credit and is not employed in a university support staff (USS) or unclassified position at the university. (S)he is considered a student as long as enrollment is intact (not withdrawn or canceled). Enrollment shall be considered official as of the first day of classes. Graduate assistants are students, not staff.

4.2 Faculty or Staff. A person is considered faculty if (s)he has a benefits-eligible teaching appointment, or staff if (s)he has a benefits-eligible USS or unclassified appointment, with the university.

4.3 Retiree. A retiree is any faculty or staff person who has retired from the University of Kansas, who has not returned to active employment on campus. equal or greater than .5 FTE.

4.4 Assignment of parking privileges. Faculty and staff shall normally be assigned gold, blue or red parking permits. In general, the criterion for blue permits is total of age plus service in State of Kansas employment equaling at least 62, and for gold permits is age plus service equaling at least 70. For gold permits, the applicant's primary campus location is only accessible from Jayhawk Boulevard. **Students** shall normally be assigned Yellow or University Housing permits.

The Parking Commission has the right to alter or revoke permit assignments as the needs of the individual or the university community change. Zones near the campus shall not be assigned to solve problems such as work assignments or tight schedules. Falsification of any information for the purpose of obtaining a parking permit shall result in the forfeiture of all parking permits and paid fees.

4.5 Appeal of parking assignment. Individuals who wish to appeal their parking assignments or who need special parking privileges should apply to the Parking Commission.

4.6 New employees of the university may, on presentation of a valid staff ID card or written verification by their department head or supervisor; purchase a parking permit with cash, check, credit card, or payroll deduction (see section 6.4). Permit fees will be prorated after October 1.

Temporary employees may, on presentation of written authorization by his or her department head or supervisor; purchase a temporary yellow or red permit for the term of their appointment. Inquiries on this procedure should be directed to Parking & Transit.

5. PARKING PERMITS

5.0 Parking assignees may purchase only one (1) permit per person, per academic year. Upon payment of the scheduled fee, parking assignees will receive a repositionable inside-the-car window sticker; **which shall be valid only when correctly adhered to the inside of front windshield on the lower left (driver's side) corner.** Application of the sticker contrary to the instructions will result in a violation notice. During times when the lots are being controlled, a parking permit entitles the assignee to park only in zones or lots designated by the permit with the exceptions noted in these regulations.

Ownership and use of parking permits are not transferable to any other person. Permits are not to be resold.

5.1 Annual parking permits expire July 31, unless purchased for a shorter period. **New permits must be purchased and in place by August 1.** Parking permits are color coded by zones or coded to particular lots.

5.2 Permit for temporary vehicle. If the primary registered vehicle is out of service, move permit to the alternate vehicle. Permit owners may obtain a short-term courtesy parking permit from Parking & Transit, for a total of up to ten (10) days per semester, or twenty (20) days per year for an annual permit.

5.3 Sold or traded vehicles. Before selling or trading a vehicle, University of Kansas parking sticker must be removed. Persons unable to comply with this requirement shall be required to pay a prorated price for a replacement permit.

5.4 Lost or stolen parking permits. The university cannot be responsible for lost or stolen permits. Stolen permits should be reported to the police immediately. Replacement permits can only be purchased after signing form at Parking & Transit for one-half of the prorated fee. **Any vehicle displaying a lost, stolen, forged or altered permit is subject to criminal charges, a fine, towing at the owner's expense, and loss of parking privileges.** Fraudulent report will also result in fine and loss of parking privileges.

5.5 Revocation of parking privileges. Parking & Transit has a **no tolerance policy on cheating.** If you forge, alter, or steal any form of parking authorization, or use or display a permit that you have not purchased from the department, **your parking privileges will be revoked for one (1) year,** and a letter requesting disciplinary action will be sent to the Vice Provost for Student Success or Human Resources. This includes "passbacks" in the Allen Fieldhouse Garage or Mississippi Street Garage.
