Colleagues,

Faculty/staff parking permits for the 2020-2021 academic year are now available for purchase online in the KU Parking portal. **A lot has changed and there are a few new options this year, so please take a few minutes to read through this entire email before making a purchase.**

### PAYROLL DEDUCTION

- **NO permits will be automatically renewed on payroll deduction for 2020-2021.** If you paid for a permit via payroll deduction in 2019-20, it will expire on 7/31/2020. If you want a permit for the 2020-2021 academic year, you will need to actively select a permit option and choose payroll deduction during the process.
- If you qualify for payroll deduction and wish to enroll in payroll deduction, you may do so at any time.
- Before you enroll in payroll deduction, review the new options below for shorter-term, less expensive permits.
- Once selected, payroll deduction cannot be stopped during the academic year unless you leave KU.

### SHORTER-TERM OPTIONS

Because many KU employees will not be on campus during the fall semester, we are introducing short-term options that will allow you to periodically park on campus, as needed.

- **30-use and 15-use permits**
  - Permits are valid for the number of stated uses. Parking on any given day constitutes one use.
  - Available in Gold, Blue, Red, Park & Ride and Yellow (qualification restrictions apply).
  - Permits are not date-specific.
  - Each unique date that a registered plate is scanned by a mobile LPR (license plate recognition) vehicle constitutes a single use, even if that scan results in a ticket. (e.g., If you paid for a Red permit and park in a Blue lot, that counts as a single day use and you would be ticketed for parking in the incorrect lot).
  - KU Parking will send you an email showing your declining balance of uses on the permit.
  - Permits expire July 31, 2021.
  - No refunds for unused days.
  - Not available on payroll deduction.
- **Daily permits**
  - Daily permits can be purchased online through the KU Parking portal.
  - Available in Gold, Blue, Red, Yellow, Housing, Park & Ride and parking garages (qualifications restrictions apply).
  - Dates must be specified.
  - A maximum of five days can be purchased at a time.
  - No limit on number of purchases.
  - No refunds on purchases.
  - Not available on payroll deduction.

	Daily	15-Use	30-Use
<b>Gold</b>	\$6.00	\$90.00	\$180.00
<b>Blue</b>	\$5.00	\$75.00	\$150.00
<b>Red</b>	\$4.00	\$60.00	\$120.00
<b>Yellow</b>	\$3.00	\$45.00	\$90.00

<b>Housing</b>	\$3.00	NA	NA
<b>Parking Facility</b>	\$12.00	NA	NA
<b>Park &amp; Ride</b>	\$2.00	\$30.00	\$60.00

If you're not sure what type of permit you'll need to start, we recommend either parking in a Yellow lot until Aug. 24, or purchasing a daily permit as needed.

You can start the year with a short-term permit or multiple short-term permits, and enroll in payroll deduction later, if needed. Be sure to use all days of your short-term permit before enrolling in payroll deduction. Annual permits can be purchased at any time and will begin prorating weekly on Sept. 6. There is no deadline to sign up for payroll deduction.

#### "BUY UP" A LEVEL

Faculty and staff will be allowed to purchase one permit zone higher than they normally qualify for (e.g., Red can buy Blue, Blue can buy Gold), if they choose to do so. This change is temporary and is intended to facilitate changing schedules and job duties as a result of COVID-19.

#### START OF PARKING ENFORCEMENT

Parking enforcement will begin on Aug. 3. in Gold, Blue and Red lots, and in the parking garages. Enforcement will begin in Yellow and Housing lots on Aug. 24.

Please email [KUPark@ku.edu](mailto:KUPark@ku.edu) if you have questions.
