Parking permits
Everyone needs a permit to park on campus. Most lots are restricted year-round.
• You may purchase one permit, which belongs to you, not to your car.
Permits are “e-permits” connected with registered license plate(s).
• Students may purchase University Housing, Yellow, Mississippi Street Garage Yellow or Park & Ride permits. Staff and faculty are eligible for Yellow, Red, Blue, Gold, parking garage, or Park & Ride permits.
• Visitors may park in any parking garage or metered space on campus.
If you are visiting a building that is not close to the parking garages, call Transportation Services for a temporary permit for another lot.
See our regulations at parking.ku.edu for permit types and eligibility requirements.

Accessible parking
Most lots on campus have accessible and/or limited mobility parking spaces. All accessible and limited mobility parking spaces require a regular KU parking permit and ADA placard.
• Staff, faculty, and students should provide a photocopy or scan of their state-issued placard and verification of ownership to the Transportation Services office, so that we may ensure that enough accessible spaces are available, and purchase the appropriate parking permit.
• Visitors may purchase a daily parking permit at the Transportation Services office, or at an Information Booth on Jayhawk Boulevard.

Follow the rules
It’s easy to avoid a parking ticket. Read the regulations at parking.ku.edu.

Don’t move your car if you don’t have to
All buses are free on the KU campus. Once you’ve parked your car, it is simple to get around — just hop on a bus! In general, most routes run Monday through Friday during the fall and spring semesters, with limited service during summer and class breaks. Detailed information is at transportationservices.ku.edu.
